

## RTD-03S WAIST-HIGH ROTOR TURNSTILE

Waist-high rotor turnstile with RB-03TP stainless steel guide barrier set and wooden handrails

### Application

The RTD-03S rotor turnstiles are designed for control of access at entrance points where security and comfort of passage are equally important. The turnstile features an electric drive which ensures smooth automatic reset after each passage. Made of polished stainless steel, supplied with matching stainless steel barrier guides and wooden handrails with built-in LED directional indicators the turnstile will fit any modern interior design.

### Delivery set
